Dear Parent,

The UK and local government have given clear guidance on self-isolation, household isolation and social distancing as the most effective way to slow down the spread of Covid-19. The Executive has asked parents to keep their children at home, wherever possible, and asked schools to remain **open for those children of key workers ONLY AS A VERY LAST RESORT.**

All Saints' PS will be used as a childcare facility for the children of identified Key Workers who attend. Teachers have prepared work packs for your children which will be available for collection from the school gates on a rota basis on TUESDAY 24<sup>th</sup> MARCH. Packs are to be collected from the front gates and there will be no access beyond this point. In order to avoid large gatherings of people at the school, a timetable for the collection of the work packs will be in operation and we ask that it is adhered to (see below). Please make sure that only one person at a time collects the work pack and we ask, for your own and others' safety, to "Collect and Go" as quickly as possible rather than remaining outside the school.

Contact with the school will remain available by phone from 9am -10am during weekdays (82243223) or by emailing me at [abradley561@c2kni.net](mailto:abradley561@c2kni.net) .

Staff and governors are all trying our best to work around this unprecedented and serious threat that we are all facing and we will continue to support our key workers, you and your children for as long as possible. Things are changing daily so I'll keep you updated of any changes to arrangements as and when they occur.

Thank you for your understanding and support. I hope and pray that you and your families stay safe.

Take care of you and yours.

*Anthony Bradley*

Acting Principal
